

PUNKINS ALE

ABV – 5.6%

(Alcohol by Volume)
A medium-range ABV
would be 3.5-5.5%.

Style

Seasonal Pumpkin Ale

Comparable Brews

This seasonal Pumpkin Ale is medium to medium-full body that has soft flavors of pumpkin and sweet caramel that has a smooth clean finish.

IBU – 24

(International Bitter Units)

Taste

A full-bodied brown ale with the spices of autumn and a hint of pumpkin. It's not overly sweet, making it a refreshingly cold brew. While the rest of the country is warming up with pumpkin beer as the season cools off, 3 Punkins Ale is the local Florida beer to cool off with as the season stays warm!

➤ About 3 Daughters Brewing ➤

At 3 Daughters Brewing, we are focused on brewing amazing beers, providing superior service to retailers and creating exciting brews for beer lovers. With a diverse portfolio of full-flavored craft beers, we are committed to providing the highest quality brews to the Tampa Bay community and beyond.
